Re: Comments on Proposed
D.C. Smoking Regulations

Dear Steve:

I am enclosing a copy of comments on the D.C. smoking regulations filed yesterday by the Board of Trade. As I advised you, Jim Jones, our Managing Partner, was instrumental in bringing this matter to the attention of the Board of Trade and obtaining its assistance.

Best personal regards.

Sincerely,

A handwritten signature in dark ink, appearing to be "DK", written over a circular flourish.

David R. Kentoff
